

Each year Queensland secondary schools are invited to submit four senior artworks for possible selection in the **Creative Generation Excellence Awards in Visual Art and Design**. This year 700 student works were submitted for consideration by the judging panel. Of these 200 were shortlisted.

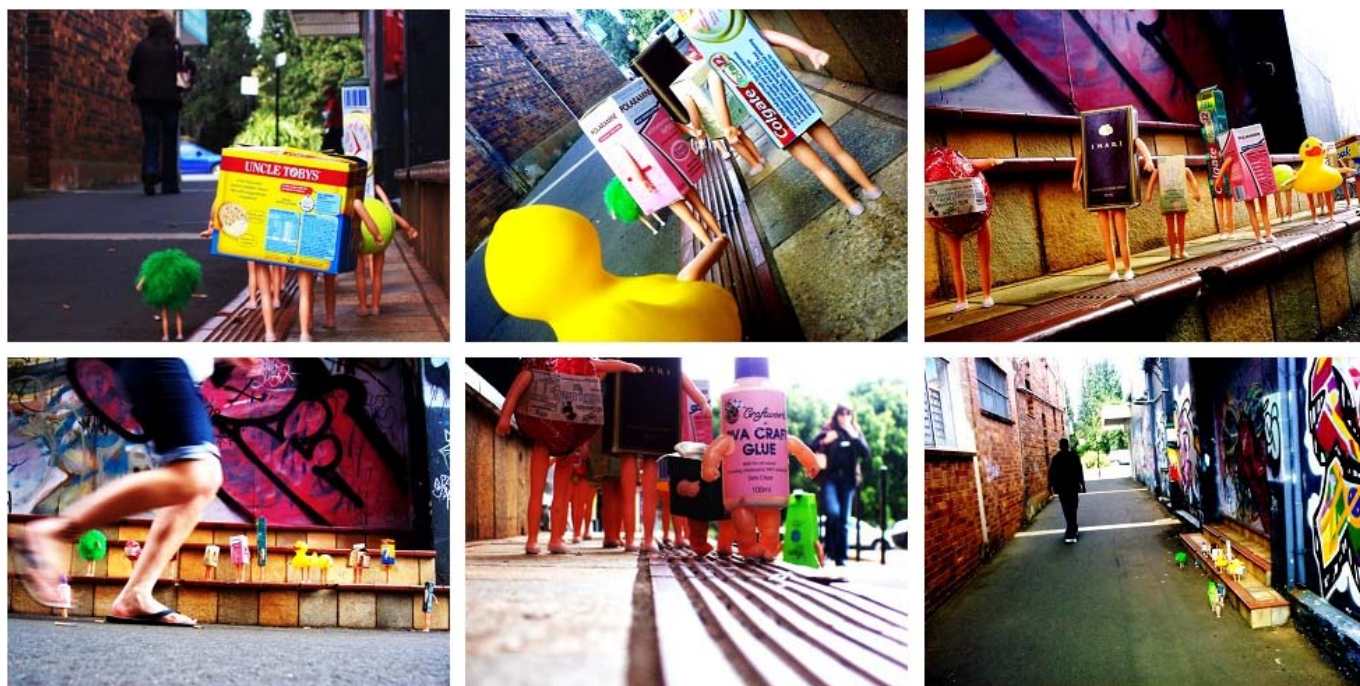

The Art Department is delighted to announce that works by Anshula Dang, Megan Klease, Mirika Guffin and Carmen Holmes all made the shortlist - an unprecedented achievement for our school.

From the 200 shortlisted works approximately forty are chosen for the state exhibition of the Creative Generation Awards which opens at the Queensland Art Gallery and then tours regional Queensland for a further two years. Works by Mirika and Carmen were both selected to be a part of this exhibition - an outstanding achievement.

In addition Megan Klease was awarded the S&S Creativity Regional Encouragement Award for unlimited future creative potential in visual art. Megan's prize includes a \$250 prize pack of art materials for herself and an additional \$250 worth of art materials for the Art Department. Congratulations to all our Senior Visual Art students!
